SUMMARY

Motivated software developer with strong programming skills and a focus on building scalable applications and intuitive user experiences. Experienced in full-stack development and UI/UX design utilizing modern frameworks and databases. Seeking to leverage technical skills in a challenging professional environment and contribute to impactful projects.

EDUCATION

Bachelor of Technology in Computer Science and Engineering (Data Science) Jul 2022 – Jun 2026
CMR Institute of Technology, Hyderabad, India CGPA: 8.05

Intermediate Education Jul 2020 – Jun 2022
FIITJEE Junior College, Hyderabad, India 90%

Secondary School Certificate Jun 2020
City High School, Suryapet, India 100%

TECHNICAL SKILLS

Programming Languages: Java, Python

Frontend Development: HTML5, CSS, JavaScript, React.js

Backend Development: Node.js, Express.js, Django, REST APIs

Databases: PostgreSQL, MySQL

Tools & Platforms: Figma, Git, GitHub

Soft Skills: Problem-Solving, Team Collaboration, Adaptability, Communication

Languages: English (Fluent), Hindi (Fluent), Telugu (Native)

PROJECTS

MINIONS

Developed an interactive gallery showcasing Minions characters to enhance user engagement. Improved usability and visual appeal by implementing responsive design principles. Built using HTML5 and CSS, focusing on UI/UX improvements. [\[GitHub\]](#)

AttnGAN - Fine-Grained Text-to-Image Generation

Implemented a deep learning model using AttnGAN for generating high-resolution images from natural language descriptions. Trained on the CUB dataset using PyTorch and integrated with Django, demonstrating strong skills in machine learning and web deployment. [\[GitHub\]](#)

Link Tracker Chrome Extension

Designed and deployed a Chrome extension to manage and save web links efficiently. Supported automatic capture from active tabs and manual input with deletion functionality, increasing productivity for end-users. Built using HTML5, CSS, and JavaScript. [\[GitHub\]](#)

CERTIFICATIONS

Full Stack Web Development

Completed hands-on projects covering frontend and backend development. Built scalable applications using React.js, Node.js, and Express.js. [\[Certificate\]](#)

MySQL

Strengthened expertise in relational database design, querying, and optimization. Gained hands-on experience with SQL for real-world datasets. [\[Certificate\]](#)
